Staff Orients

Virtual: on Zoom-None this year

In Person:

- For session 1 (and ideally session 2 staff): save Tuesday June 3rd between the hours of 4 to 7:30pm- The meeting will be two to three hours, And once we're more clear about teams we'll make a call about timing or do a survey
- For session 3 onward: attend team meetings, and for new staff, shadow for a full day. Timing-last week of sessions:

- Wednesday for our Meadows site teams, the Strawberry Banana and Smoothie groups
- Thursday for our Big Leaf teams, the Mango Coconut and Fruit Salad groups
- So, the day depends on what team you are on, and who will be working and when they are in town.
- Exceptions possible: Some upcoming session team meetings are scheduled on Friday morning (last day of a session) if some folks out of town and cannot make earlier.

What if you are out of town? Occasionally, someone needs to video in (we can what's app or facetime on phones), although this is usually only possible for return staff.

Summer Staff Event-Tie Dye- Wed, June 25th, from 4:45-6:45

This is an invitation to join to have a meal and Tie Dye a shirt and hang out. It is not mandatory, but it would be so awesome to have everybody be apart, whether working that session or working at another point during the summer

Year round team stays to help clean up after other staff go
