

# Monkey Business Camp Scavenger Hunt

If you're out for a walk, see if you can find some of these items.

What else did you see... make a list to share at the end. Yay!

- Look for 3 different kinds of brown dry leaves? How are they similar, different?
- Can you find numbers 0-9? (hint – look at curbs and cars, too) cross them off as you see them -> 0 1 2 3 4 5 6 7 8 9
- Can you see any pink flower petals on the ground? \_\_\_\_\_ White? \_\_\_\_\_ Golden? \_\_\_\_\_
- Look for 2 kinds of pinecones. What shapes are they?
- See any wet piles of leaves from the recent rains? \_\_\_\_\_ Any slugs or worms nearby? \_\_\_\_\_
- Look for mushrooms growing... they like it in the shade. Don't touch unless you are or are with an expert.
- See any long sticks? Any longer than your hand? \_\_\_\_\_ Your leg? \_\_\_\_\_ Your whole body? \_\_\_\_\_
- Hear any birds? Hold super still and see if you can see their bodies. Sometimes you have to wait until they move to spot them. What do you think they are communicating about?
- See any squirrels? Sometimes you can hear them skittering along tree branches before you see them. Sometimes they are alone, sometimes two are racing along together.
- See any dogs out for walks? What are they doing? Any smelling going on?
- See any people running/jogging outside? \_\_\_\_\_ Any strollers w babies? \_\_\_\_\_ Any other kids out for walks? \_\_\_\_\_ Anyone you know out? \_\_\_\_\_
- How about the sky? Any clouds? \_\_\_\_\_ Puffy, flat, what shapes? \_\_\_\_\_ Are they moving quickly or slowly? \_\_\_\_\_
- Is the Sun high in the sky (smaller shadows) or low in the sky (longer shadows?) \_\_\_\_\_ Can you make your shadow do a funny dance? Or look like it's poking someone (not suggesting you poke someone without asking... just make it LOOK like it ;)
- What is the tallest tree you can see? How tall is it in relation to you... (2x or 20x??) \_\_\_\_\_

- What is the widest tree you can see? How wide is it compared to you?  
\_\_\_\_\_
- Any place you can make a quick little fairy/troll house? Nice to leave one set up, just in case it's needed.

See you at Camp before too long!

Anything else you saw that would be fun to remember?

Want to share what you did?

- Take a photo or scan
