

# MONKEY BUSINESS CAMP

Summer + School Break Day Camps for Kids

## Summer Camp in Tilden Park, Berkeley- ages & location details for each group:

For all Summer Sessions, except for end of August, we plan to have 4 groups running in Tilden Park, using both Picnic areas below, two groups sharing each. When your child is 7 (or older 6), the main consideration is whether you prefer them to be with overall a site with ages 5-7 or ages 7-10.

Exceptions when we plan to only run two groups at Meadows site (no Big Leaf site groups): For Session 6 full week enrollments (Aug 10-14). We still will split the group into ages, one younger group (5-7) and one older age group (7-10).

**Meadows Picnic Area groups:** the Strawberry Banana and Smoothie groups share this picnic area for afternoons, and drop off and pick up details are varied-see below.

**1) Ages 5-6: Strawberry Banana Group-**Drop off (8:30-9:00) and alt morning drop off (10:15) at [Little Farm/Nature Center Area Playground](#); Pick-Up (4:10-4:30) at east end [Lone Oak Parking Area](#); Kids spend late mornings and afternoons at [Meadows Picnic Area](#) or sometimes with walks nearby to redwoods. Alt afternoon pick-ups (1:30 or 3:30) are at Meadows Picnic area.

**2) Ages 6-7: Smoothie Group-**Drop off (8:30-9:00) and all alternate drop off/pick up times (10:15, 1:30 or 3:30) at [Meadows Picnic Area](#). This means a 2-3 minute walk up from the Lone Oak Parking to the main site, plan accordingly. Pick-up (4:10-4:30) at [fire road gate at Lone Oak Parking Area](#). Sometimes 8 year olds might join, to be with younger siblings, if they are okay being oldest in group and ok not to have exact age peers.

**Big Leaf Picnic Area groups:** located just at the base of Canon Drive in Berkeley: The Fruit Salad and Mango Coconut groups share this space, so overall an older kids' space, so this is most important consideration for your child who is 7, whether they want to be placed here or with Smoothies at the Meadows Picnic Area groups, overall younger in age:

**1) Ages 7-9 (+ sometimes older 6s): Fruit Salad Group-**Drop-off (8:30-9:00)and pick up (4:10-4:30) at [Big Leaf Picnic Area, steps by restrooms](#); for all alt drop off and pick up times (10:15, 1:30 and 3:30), pick up at main Big Leaf site/steps. This group shares the space with the Mango Coconut group, with times of the day each going away for special activities, like walks or to play BINGO.

**2) Ages 9-10 (+sometimes 11s): Mango Coconut Group-**same details as above for Fruit Salad, except main drop off and pick up at [Big Leaf Picnic Area-main steps](#). This group shares the spaces with the Fruit Salad group, with times of the day each leaving for special activities, like walks or to play BINGO.
