***If under 18, only Section A applies. No action required for Section B, go directly to Signature Section.**

Section B – CalSavers Retirement Program for Employees 18 and older by the time of camp working. In past, this was only open if working 1,000 hours or more each year (which equals 25 weeks full time work), but fill out even if not working that many.

California requires that all employers offer the CalSavers Retirement Savings Program for eligible employees

- If eligible, enrollment is automatic at 5% of each paycheck unless you choose to opt out.

- You can change your contribution, switch to a traditional IRA, or opt out/in at any time at [www.calsavers.com](#).

- Monkey Business Camp’s role is only to process your payroll deductions; we do not manage or endorse CalSavers and cannot give financial advice.

Check one box below (only if 18 or older):

I choose to OPT OUT of the CalSavers Program.

I choose to OPT INTO the CalSavers Program and understand 5% of each paycheck will be deducted to my CalSavers retirement account.
